about the firm

Background: 1962-1996

Established in the year 1962 by Arch. **Indrakant** Patel the firm has handled over 200 projects providing architecture and interior design solutions.

Studiovistara: since 1996

Led by Arch. **Tejas** Patel & **Mona** Patel, studiovistara is committed to working at the intersection of architectural theory & practice, that strives to maintain a balance between the science of construction and the artistic intentions that define the polarities of architecture. The firm has more than **50 years of collective experience** in providing building & interior architecture-related services across residential, commercial, institutional, industrial & hospitality sectors.

The studio also facilitates integrated **one stop solution** for building and interior architecture related services vide its subsidiaries **studioworx** & **studioestates** to facilitate construction & project management.
